WHERE I COME FROM, EVERYONE HAS ONE!
LISTEN... A CROWN ON EVERY HEAD IS THE SAME AS NO CROWN AT ALL!
STILL, I'D LIKE TO GO BACK! IS THERE A WAY OUT?

Hyenas

These relatives of the cat family have large, round ears. Packs of up to 30 hyenas hunt wildebeast and zebra across the African plains. They can run up to 40 mph. Hyenas communicate with growls, grunts, yelps and whines. The biggest and most aggressive is the spotted hyena, also known as the laughing hyena because of the laughing sound it makes when excited. An erect tail shows aggression, a tail pointing forward displays excitement, and when it is down, the hyena is afraid. Spotted hyenas are about 4 ½ feet long, the size of a large dog.

Twins

A twin is a very special friend. A twin could be a boy or a girl. He or she is like the other half of you. I am a twin — the older twin sister by 5 minutes. It's fun being girl twins because we trick people sometimes. We also resemble our Mom and, when we are all together, we look like triplets!

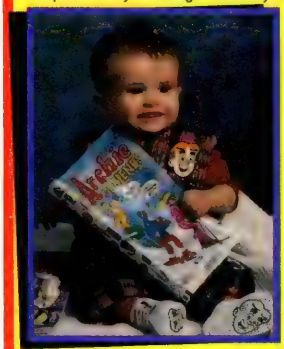
EDITOR'S NOTEBOOK

Dear Archie Readers,

I'd like to introduce Christopher James Campbell. To my knowledge he is the youngest Archie reader on record. Christopher and his parents, Juan and Natalie, live in Montreal, Canada. Chris' father is the one who actually turned him on to Archie comics. Juan attributes much of his own success, in sales, to the fact that he read Archie comics when he was growing up. This picture of Chris holding a copy of Archie & Friends was taken when his mom found him hiding behind the sofa and caught him by surprise. It seems that Chris thought his mom and dad wouldn't approve of him reading a comic instead of the book they had given him, "War and Peace." Anyway, here are some up-and-coming comics for yours as well as Chris' reading pleasure.....



JUGHEAD #109 Oct. - When Reggie plays some practical jokes on Jughead, everyone wants Jug to retaliate...and he does, by making believe Reggie doesn't exist. If fact, the whole gang ignores him. This turns out to be very painful for Reggie's ego. But when Riverdale's resident wise guy thinks he can outsmart our crowned hero, he winds up with some other pains he would like to forget. The name of the story...."I'm A Believer." Don't miss it.

BETTY #66 Oct. - How many of you have ever thought about who you are, or what you want to be some day? In this issue we look at the question, "Will The Real Betty Stand Up?" After Betty meets with her guidance counselor, she's encouraged by the fact that she has the ability to be anything she wants. If you're a long-time Betty fan, you know she is very smart, talented, athletic, can cook and fix Archie's car. "Archie"....the love of her life. Is he an inspiration or a roadblock to Betty's success? How would you like to see this story end? You can pick up a copy of this issue and find out how we see it. You might be surprised. Then again, you might not.

If you're going to camp this summer, don't forget to fill your trunk with Archie comics and bug spray. If you run out of spray, you can always whack 'em with a comic. After you read it of course. And if you have some time, write to me. But remember, I can't have you sent back home. My address is:
